

FISCAL NOTE

HB 2844 - SB 2924

February 18, 2002

SUMMARY OF BILL: Increases from \$50,000 to \$75,000 the minimum appropriation to be made by a county legislative body to defray the expenses of a charter commission. Increases the number of members each school district may appoint to a unification educational planning commission from five to seven.

ESTIMATED FISCAL IMPACT:

Increase Local Govt. Expenditures - \$25,000 One-time / Permissive

Estimate assumes:

- an increase in expenditures for a county where a charter commission is formed which would be a one-time cost for such county not to exceed \$25,000.
- an increase in local government expenditures for the travel expenses of the additional members added to unification educational planning commissions. This increase is estimated to be not significant.
